Our MGDC Mission

**To increase the number of member IMCs,
engage and support them
in functioning effectively**

Conclusion - Key Activities

- Development of an **Observer Policy** to include related organisations as observers to specific ICMCI activities
- Increasing **horizontal exchanges between IMCs** in order to strengthen each one of them individually
- Monitoring the **Good Standing of Existing Members**
- Participating in the relevant ICMCI cross-functional task forces

- Provides guidance for the admittance and contribution of non-member organizations which have an interest in or wish to participate in ICMCI's activities, or those of the IMCs.
- Builds linkages between organizations which are active within the professional and management consultant ecosystem and have
 - built and maintained relationships with either the ICMCI itself or one or more IMC(s)
 - an interest in contributing to the growth of professionals who provide management consulting services and enriching the management consulting profession at national, regional and international levels.
- Provides an opportunity for ICMCI to continue the relationships with professional members which have exited from ICMCI membership.

Thank you!
