Management consulting is

- Expertise
- Experience
- Capabilities
- Ethics

+ Lifelong Professional Development

CMC - CERTIFIED MANAGEMENT CONSULTANT
Our profession is of interest to:
The **world** of organisations and their **leaders** and managers.
Professionals who can **Solve complicated situations or problems**, when **quality** and **speed** need to be **raised** to handle required **change**.

The **world of management consultants**: Professionals who help organizations grow, survive, improve, adapt, and gain from new opportunities.
CMC-Global is the link between the Internal (consultants) and External (beneficiaries) of Management Consulting.
Where their interests meet…

The recognised mark of the consulting professional that practices according to internal culture and practices and international standards
Where their interests meet…

Every management consultant should want to become and stay a CMC while they practice as it demonstrates:

- to beneficiaries; **Confidence** in crucial/critical assignments
- To international consultants; **Risk reduction** in identifying clients
Where their interests meet...

Client
ICMCI’s Role in the Professional standards for Management Consultants
The development of the profession of management consulting became a global activity; ICMCI is the profession’s instrument for taking up that challenge on a pan-national basis.
Why Do We Exist

The Badge of a Professional, Competent, & Trustworthy Consultant
Why Do We Exist

The core **professionalism** and drive of **competent respected** Management Consultants (MCs) **solving** client **problems** while **maintaining confidentiality**.

**MCs are the Management’s trusted critical friend**
Why Do We Exist

ICMCI *sets* the *standards*, *ensures compliance* and with this confidence *promotes* the use of and *respect* for management consultants worldwide.

The promotion is established by growing and maintaining relationships with global institutions and NGOs.
As **global voice** of the profession, we have a real belief that Management Consultancy can and does improve our **world**, our **societies**, and our **economies**.

We **work** towards **eliminating** reluctance, prejudice, fear, and ignorance for all to reap the **benefits**.
Our Vision

To be a leader in the development of management consulting as a global profession that drives social and economic success.
A nationally awarded CMC can work and operate in any other IMC country as a mutual reciprocity understanding between all IMCs within the ICMCI pyramid.
The specific mission of ICMCI

Standards of Competence, Conduct and Professional Behavior, and Service provision.
The specific mission of ICMCI
Each country has only **one Member** who is authorised to issue the **CMC qualification**
History and Development of ICMCI

1987

32 management consultants from 10 countries met to explore common ground between professional institutes known to certify individual management consultants.

IMCs from 7 countries signed on to form ICMCI
1989

ICMCI’s organisational structure and membership criteria ratified.

ICMCI’s Code of Professional Conduct approved.
ICMCI gained UN NGO Status – this is automatically passed on to each Member Institute.
Number of CMCs around the world approached 10K.
2013

Membership has grown to 49 national IMCs. ICMCI is widely recognized and respected as an international organization in the international consulting arena and growing in stature.
New programmes and services launched: the International CMC Conference, AMCC, CMC-GI, Academic Fellow, and a dedicated Executive Director.

Agreement to brand ICMCI as CMC-Global.
