Certified Management Consultant (CMC)
Additional Pre-requisites (CMC005)**

CMC - GLOBAL

This table provides statements of the pre-requisites that a CMC candidate should satisfy in addition to fulfilling the competences in the Institute’s Competence Framework.

ICMCI CMC Additional Pre-requisites

1 Membership requirements

- 1.1 A member in good standing of the national ICMCI member institute in the country where the consultant applies for CMC Award (which should normally be the consultant’s country of nationality or country of permanent residence) OR a member of the ICMCI Global Institute if there is no ICMCI member institute in their country of nationality or permanent residence.

Note: This is not intended as an undue restriction on a consultant’s access to CMC certification. The requirement is put in place to ensure that the consultant commits, and adheres, to the member institute’s code of conduct and that sanctions can be brought if the consultant contravenes that code. Without such membership, the code and sanctions for contravention cannot be enforced.

- 1.2 Demonstrates good character and has not demonstrated any behaviour which may indicate to the contrary.

2 Specialist Functional Knowledge

- 2.1 Professional qualification(s) in the consultant’s claimed area(s) of practice – e.g. accountancy, engineering, IT

3 Specialist Sectorial Knowledge

- 3.1 Able to demonstrate current experience of working in the claimed sector

4 Experience

- 4.1 Three years in management consulting

5 Currently Active in Consulting

- 5.1 Able to demonstrate that in the last three years, management consulting has been a significant part of their activity.

This can include consulting with clients or internal consultancy; selling, managing and / or supporting consulting activity; preparing for and teaching consultancy; publishing and writing on consultancy.
