ICMCI Euro Hub Annual Meeting 2026

Management Consultants for Europe's Competitiveness: Skills, Innovation and Cross-Border Cooperation

Virtual Meeting – 25 June 2026

The 2026 Euro Hub Annual Meeting will be dedicated to strengthening cooperation among European Institutes of Management Consulting and to positioning certified management consultants as key professional actors supporting Europe's competitiveness, innovation capacity, digital transformation and skills agenda.

Through contributions from European institutions and National Institutes, the meeting will provide a focused platform to explore digital competences, share national priorities and good practices, and identify opportunities for joint initiatives, with the aim of moving the Euro Hub from representation to concrete cooperation and joint action.
