CONSULTANTS AND TRAINERS

**Subject: Participation in a Regional Conference:  
The future of management consulting in Jordan and the Arab World – The Vision and Challenges.**

*The Institute of Management Consultants and Trainers of Jordan (IMC-Jordan)* is delighted to announce its regional conference entitled - The Future Role of Management Consulting in Jordan and the Arab World – The Vision and Challenges – under the patronage of Her Excellency the Minister of Public Sector Development. The conference will be held in cooperation with the International Council of Management Consulting Institutes (ICMCI) in Amman Jordan on **November 20, 2016 at Sheraton Nabil Hotel, Amman-Jordan.**

You are cordially invited to attend and participate in this important conference. The conference will address important issues related to the organization and future development and challenges facing management consulting. Of particular concern are issues related to organizing and continually developing the management consulting profession in the Arab world.

IMC-Jordan was established in 1995 as a not for profit professional association and is a member of the ICMCI. IMC-Jordan is responsible for organizing the management consulting and professional management training sector, as well as certifying management consultants in Jordan and the Arab world to achieve Certified Management Consultant (CMC) status. These efforts are important as they help individual consultants and companies become more successful, relevant and effective. As such, IMC-Jordan has attracted a select group of Jordanian, Arab and international speakers to discuss these important issues organized in three subject categories:

- Category 1: **Management Consulting’s role in sustainability and competitiveness.**
- Category 2: **Management Consulting and Institutional Sustainability**
- Category 3: **Qualified Consultant ... Success and Challenges**
