

## REPORT OF THE MEMBERSHIP COMMITTEE 2021

### RECOMMENDATIONS TO THE BOARD

Submitted September 5, 2021

#### **MEMBER IN GOOD STANDING REPORT**

As outlined in the Member in Good Standing Policy, the Membership Committee has undertaken the annual review of the ICMCI membership.

This report presents our recommendations to the Board. It is the product of our review of each member's:

1. QAC assessment status,
2. Account status, and
3. Member communication and engagement.

Where we identified issues and concerns, we have communicated this to the Executive Director, the QAC Committee, and/or the Treasurer, as appropriate.

With this report, we are pleased to report we have **48 provisional and full members**. We are pleased to **recommend the confirmation of 41 full and 1 provisional members as being in Good Standing**, as at September 5, 2021 detailed as follows:

Full members	45
Provisional	<u>3</u>
<b>TOTAL FULL &amp; PROVISIONAL MEMBERS</b>	<b>48</b>
<b>Less:</b>	
Full members where a warning is recommended	-4
Provisional members where a warning is recommended	-2
<b>TOTAL MEMBERS IN GOOD STANDING</b>	<b>42</b>

We have 3 full members that we have identified where we have accounts receivable that are overdue and outstanding, with no formal arrangements in place. We have been in contact with them, and we are working towards repayment, but at the time of this report, €13K in total remains outstanding from these 3 IMCs.

**CMC - GLOBAL**

There is 1 additional full member who is also in arrears, but our Committee has already reviewed the situation and made a recommendation to the Board - we are waiting for agreement on the approach. In total 4 of the full members are not members in good standing.

Finally, we have 2 provisional members where we recommend a warning. Both are in arrears but 1 of these has a very special, unique situation, where we have sympathy, due to the country's situation. Of these 2 members, 1 has exceeded the 2-year period within which they need to apply for a full membership. While we appreciate that the pandemic may have caused a delay, this IMC has been a provisional member for 4 years.

As a result, we are pleased to report that we have 42 members in Good Standing.

We trust the attached set of recommendations meet with the Board's approval, and as a committee, we stand ready to address any questions or concerns that the Board may have.
