ADDENDUM – MGS REPORT

Further to the published members in good standing report, this addendum includes an update on Members that were listed for either immediate action or expected action during Q4 2017 subsequent to measures taken by them to rectify their status.

Since the publication of the MGS report, the Board has initiated contact with all Members and following are the measurable results already achieved as will be presented in Astana:

1. Of the 9 countries with expected actions during Q4 2017, the following acted upon the recommendations and are now Members in Good Standing:
 - a. Croatia
 - b. USA
 - c. Switzerland
2. Of the two countries contacted for immediate action, our Member in Thailand resumed communication, and is now in contact with the QAC for assigning an assessment date. Upon finalization of all needed measures, they will be announced as members in good standing.

Hoping to advise an update on the status of the remaining Members at the end of Q4 2017.
