CONSTANTINUS
INTERNATIONAL
THE GLOBAL MANAGEMENT CONSULTING AWARD

The ICMCI success story of the worldwide Award Best practice – Innovation – Stimulation

- ◆ 9th anniversary in 2019

- ◆ high quality decision through
 - transparent criteria
 - international jury of experts
 - customer evaluation

- ◆ career booster for economic success
 - Wall of Fame

- ◆ Vision and goals of ICMCI
 - A unified voice of consultancy worldwide & complementary to the national voices of IMC also through CONSTANTINUS INTERNATIONAL

- ◆ Develop Quality & Qualification
 - Promotion of the ISO Standard for Management Consultancy Services
 - Promotion of CMC
 - ICMCI CONSTANTINUS promotes Quality & Qualification

- ◆ Develop cooperation between consultants and clients
 - Projects must have a Client & a Consultant!

Constantinus International Committee

- ◆ Alfred Harl – Austria (Chair)
- ◆ Elena Yuzkova – Ukraine
- ◆ Jan Willem Kradofer – The Netherlands
- ◆ Leigh Harris Fowell – Canada
- ◆ Reema Nasser – Jordan
- ◆ **NEW:** AMBASSADO ´s of every Country?
- ◆ The committee meets yearly at the ICMCI Annual Conference and unregularly via Skype.
- ◆ We revised the submission tool & website & adapted it acc. to ISO 20700.
- ◆ We created new material to promote the Award & a VIDEO!

The Process

- ◆ The first step in order to get the award started would be a binding commitment from your Institute by accepting a charge of € 1.000,00 excl. VAT to cover some costs such as adaptation of the application tool and the jury tool, the maintenance of the website as well as a small marketing initiative.
- ◆ Subsequently, all participating Institutes have the opportunity to name 10 national nominations.
- ◆ Each participating Institute needs to name 2 jury members (no obligation)
- ◆ From January to July the nominees submit their applications online - the Award Ceremony is in October at the CMC-Global International Conference.

Criteria for the Award are (conform to ISO 20700!):

- ◆ **Efficiency:**
price/performance, cost control, speed of execution, long-term effects, organization and quality of international cooperation
- ◆ **Global outreach:**
creation and security of jobs, effects on regional and national economy, etc.
- ◆ **Commercial performance:**
revenue/profit impact, process improvement, productivity increase, effectiveness of organizational changes

Criteria for the Award are (conform to ISO 20700!):

- ◆ **Strategic strength:**
market performance and impact, innovation, development and qualification improvements of the company and its human resources
- ◆ **Quality of consulting/solution:**
creativity of solutions and methods, customer satisfaction, satisfaction of participating partners and their employees, quality of documents, change management and project management

NEW!
