Full trainings: Blended trainings and tests

Guiding Principles

- No Competition with IMCs. Offering only in accordance with IMCs, including revenue share.
- IMC-specific trainings can be provided via the platform for a fee to cover technical cost. Promotion through IMCs.
- Full global database of management consultants (Information Privacy Regulations Compliance)
- On-line check of certificates via QR Code
- Interface to IMCs to check membership for discounts, providing a seamless customer experience

Next steps

- Joint working groups with selected IMCs to discuss the business case and collaboration including revenue stream.
- Start of Phase 1 on 2026 for 3 credentials in pilot markets (countries) to test the market and soft launching.
- Start of Phase 2: more countries, collaborative integration with IMCs
