

Future of Management Consultancy

Gergana Mantarkova

International Consultants Day
June 2021

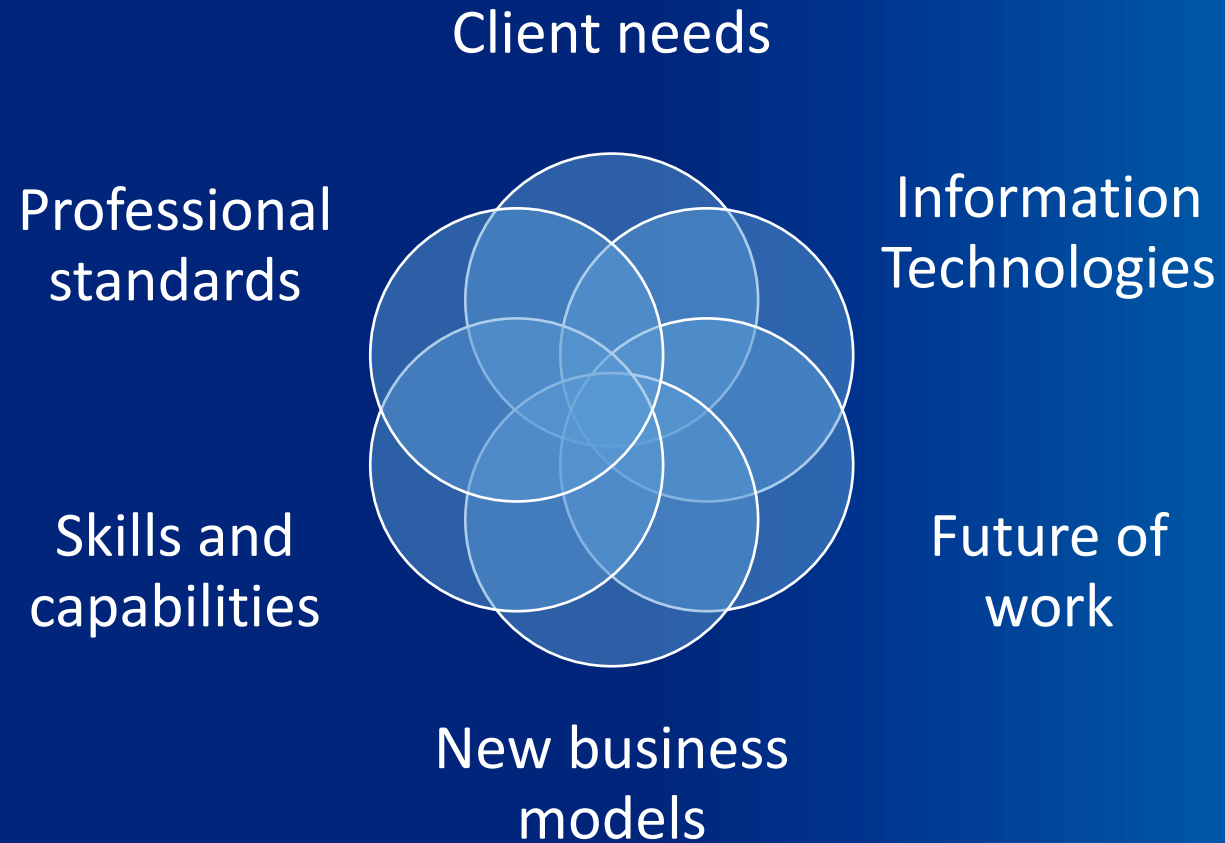

We have been through a perfect storm
and now live in a different world

ICMCI is leading on a journey towards
the “future of Management Consultancy”

In building a vision, we need to define the issues

... and rethink ICMCI and IMCs roles

Engaging with the ICMCI network and beyond

CMCs and ICMCI members

Young Consultants

International institutions

General business

Consulting
community

Professional Services Associations

Universities / Researchers

Community at large

Media / Analysts

A global team steering the course of our journey
